Dear Parents and Carers,

As we approach the festive season, we are excited to launch two fantastic attendance incentives to encourage students to attend college every day and make the most of their learning right up until the end of term.

🎁 1. First 100% December!

Students who attend college every day from 1st–17th December will be rewarded with a selection box on the final day of term as a thank you for their commitment and excellent attendance.

We have an extra special reward for our Year 11 students! Any Year 11 student who achieves 100% attendance throughout this period will not only receive their selection box but will also be entered into a prize draw to win a FREE driving lesson in January!

🎄 2. The 9 Days of Christmas!

We are also running our 9 Days of Christmas attendance incentive! Any student who attends college for the last 9 days of term (7th–17th December) will be entered into a prize draw to win some fantastic prizes, including:

- **Smart watches ⌚**
- **Wireless earbuds 🎧**
- **Vouchers 🎁**

There are some brilliant prizes up for grabs, and we want as many students as possible to be in with a chance of winning!

🤧 Keeping Healthy This Winter

As we head into the colder months, we know that germs and seasonal illnesses can become more common. To help protect our college community, we have introduced additional hand sanitiser stations for students to use as they arrive at college and when entering the canteen. We encourage everyone to make use of these stations and practise good hand hygiene.

We understand that it can sometimes be difficult to know whether your child is well enough to attend college. Please see the NHS guidance below for advice on when children and young people should stay at home and when they can attend.

NHS guidance on illness and school attendance:
When children and young people should stay off school

Thank you, as always, for your continued support in encouraging excellent attendance, punctuality and a positive attitude towards learning. Every day matters, and we are looking forward to finishing the term on a high and celebrating our students' attendance!

Kind regards,

Mrs S Khan

Associate Assistant Principal - Attendance
