

TRANSITION NEWSLETTER

Dear Parent - Welcome to the first Transition Newsletter from Horizon Community College. I do hope you and your family are well during this difficult time.

Whilst we are unable to meet with your child in their primary environment we are keen to keep in touch with you. We want to ensure that all students are confident and excited about starting with us and have a happy and positive experience, regardless of the uncertain circumstances that we find ourselves in. We are currently busy having online meetings with primary school teachers to ensure we know as much about each individual as possible.

We hope you found our 'Welcome Booklet' and 'Transition Pack' a useful source of information and if you have any questions please do email transition@horizoncc.co.uk

Our Horizon twitter feed is full of up to date news from around the college. It's a great way to get a 'feel' for the college.

We are very PROUD to be part of #ProudThursday where we celebrate the fantastic work students are completing at home. Please take a look!

Transition Evenings & Roll Over

No decision has been made on these two events; we are continuing to follow government guidelines and will update the school website once more details can be given.

Please be reassured that if the transition evenings do not go ahead, all information will be shared via the school website.

Dear Future Horizon Students

The Year 7 team would love to know a little bit about you before you join the Horizon community. Why not send us an email to transition@horizoncc.co.uk telling us about your hobbies, your interests, your hopes, ambitions and worries (if you have any) for starting at Horizon.

Or if you prefer to write a letter then please take a photo of it and then email it to the address above. Please include your full name and primary school on to the email or letter.

Please be assured that we will read each email/letter although due to numbers we cannot reply to each one, unless there is a specific question you want answering.
