

# HORIZON TRANSITION NEWSLETTER 2

Dear Parents/Carers,

I hope you and your families are well.

As a college, we want to make sure that your children have the best possible transition to Horizon. I thought I would therefore update you about events being planned over the next half term.

You will already know about our 'online transition evening', available on the website from 10<sup>th</sup> June. However, this is part of a much bigger Transition 'package' that Mrs Malson and her team are busy preparing.

This package includes:

- our dedicated Transition area on the website [www.horizoncc.co.uk/transition](http://www.horizoncc.co.uk/transition), which includes a Frequently Asked Questions section
- information clips to help familiarize you and your children with the College itself and prepare students for their first day
- video clips from our present Year 7 students, telling you and your children what it's really like to be a Horizon student
- regular Zoom meetings with your children's Year 6 teachers, so we know as much about your children as we can before they join us
- Q&A sessions (via Zoom) with your children in their classrooms once they are back at school
- a visit, hopefully physical, from Mrs Malson or Mrs Heskett to as many of our feeder primaries as possible next half term, to meet your children in person
- a planned opportunity for your children to actually visit Horizon before the summer holiday, so that it is already familiar to them in September.

The potential stepped re-opening of schools next half term does mean that we will no longer be able to welcome your children during the roll-over period. This is very disappointing but, as with all decisions we make, it is about ensuring the safety and well-being of everyone involved. And it doesn't lessen the excitement we are already feeling about you and your children joining us at Horizon!

I greatly appreciate your support and patience as we finalise our plans. I know Mrs Malson will be in touch with further details very soon. In the meantime, please do continue to communicate with us using the email [transition@horizoncc.co.uk](mailto:transition@horizoncc.co.uk).

Kind regards

Mrs Huddart  
Principal
