

## How to access Microsoft Teams – using an app on a phone

1. Through either the App Store or Google Play Store, search for and download the Microsoft Teams app

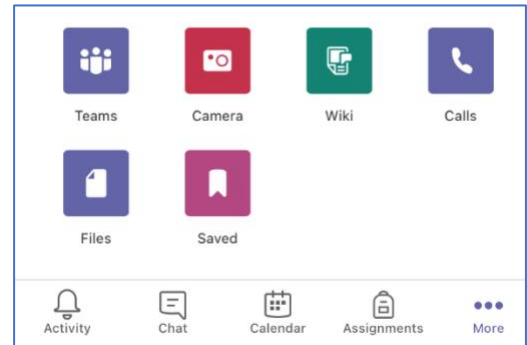

2. Once the app is downloaded, open the Teams app:

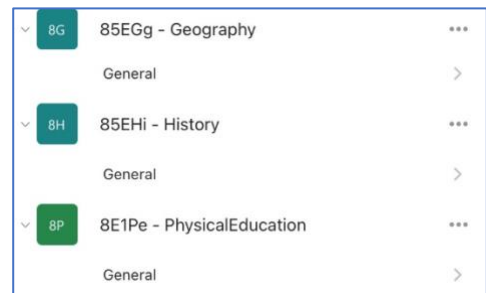

3. Enter your child's log in details, using their Horizon user name and password. If they cannot remember this, then please let the college know via [itsupport@horizoncc.co.uk](mailto:itsupport@horizoncc.co.uk)

## How to access lesson resources and activities

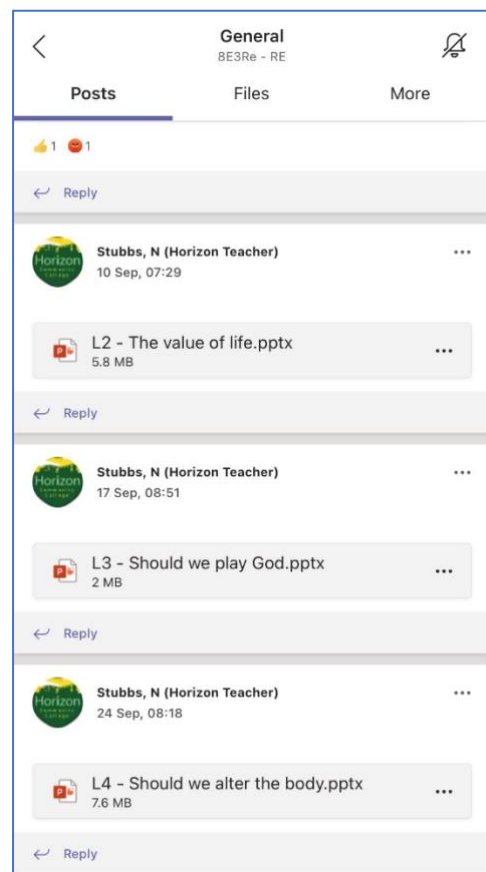

1. In Teams, click on the 'More' button and select 'Teams':

2. Click on 'General' under the relevant class team:

3. You should then see a list of activities, like so:

Instructions continued on next page:

4. Click on an activity to see the materials for that lesson. These can be viewed in the app.

*Do it now*

Complete the gap fill on these keywords. Once completed identify which of these keywords is new. Can you guess what we are looking at today?

Conception: The moment when the s\_\_\_\_\_ fertilises the egg in the mothers w\_\_\_\_\_.

F\_\_\_\_\_ : The ability to conceive children or young.

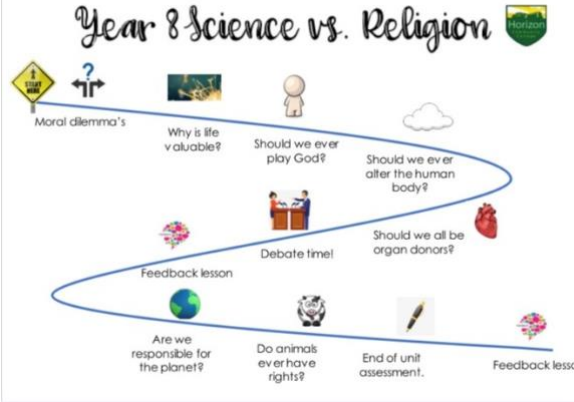

S\_\_\_\_\_ of Life: The C\_\_\_\_\_ view that all life is sacred (h\_\_\_\_\_ ) and a gift from G\_\_\_\_\_. Also, that nobody other than God has the right to t\_\_\_\_\_ life away.

V\_\_\_\_\_ of Life: How g\_\_\_\_\_ or comfortable l\_\_\_\_\_ is.

Christian, good, Womb, value, God, life, sanctify, take, Sperm, holy, fertility

### Year 8 Science vs. Religion

4. Your child can then complete the lesson activities their exercise book for that lesson. After the lesson has been completed by the class, there may be additional annotations and notes to support your child's learning, and help them check their progress whilst they're at home.
5. If you have any questions about subjects, contact [info@horizoncc.co.uk](mailto:info@horizoncc.co.uk) for more support.
6. If you have any technical questions about using Teams, contact [itsupport@horizoncc.co.uk](mailto:itsupport@horizoncc.co.uk)
