

# Student Experience Passport

School ready; Work ready; Life ready

Name

## SCHOOL READY

Throughout your personal development journey at Horizon Community College it is vital you take as many opportunities as you can to ensure you leave school with experiences and qualities that will help you move successfully into further education and/or the world of work.

Completing this passport will:

- Enable you to identify your current skill set and develop them further
- Allow you to gain new skills
- Link your activities to our core values and work readiness skills
- Help build your CV
- Evidence your achievements and enable recognition of your efforts

## WORK READY

We believe that it is equally important to ensure that you gain the skills and aptitude to prepare you for the world of work after Horizon. This is so that you can be as successful as possible, making a positive contribution to society. To do this, we have worked with businesses in Barnsley and the 'More and Better Jobs Task Force' to develop the 10 'Work Readiness' skills. If you demonstrate these skills throughout your time at Horizon Community College, we believe you will leave us ready for the world of work.

## LIFE READY

Throughout your time at Horizon Community College we want you to become a well-rounded individual that makes a positive contribution to the school and the community you live in. That's why we have developed Horizon's Core Values. We believe that if you demonstrate these 10 qualities throughout your time at Horizon you will become more confident and better prepared for life beyond Horizon.

<b>Pride</b>	<b>Organisation</b>	<b>Engagement</b>	<b>Questioning</b>	<b>Respect</b>
<b>Kindness</b>	<b>Teamwork</b>	<b>Tolerance</b>	<b>Independence</b>	<b>Resilience</b>

# REWARDS

Your progress throughout the Student Experience Passport will be monitored through form period and your tutor will have to sign off each activity, having seen some evidence of your participation. As soon as you begin to complete activities in your Student Experience Passport you are eligible for the following awards.

## Bronze Award

Once you have completed an activity in two of the activity areas you will achieve your Bronze Award Certificate for 2020/21.

## Silver Award

Once you have completed an activity in four of the activity areas you will achieve your Silver Award Certificate for 2020/21.

## Gold Award

Once you have completed an activity in all five of the activity areas you will achieve your Gold Award Certificate for 2020/21.

## Celebration of Achievement Evening

Once you have reached your Gold development badge, you will be invited to submit your passport to be judged in advance\* of the Celebration of Achievement Evening in July. Here we will recognise those individuals that have shown outstanding commitment to their own personal development.

\*Your passport will need to be submitted by Friday 25th June to be eligible for the awards evening. Form tutors will give more information nearer the time.

# ALL ABOUT ME

On the next few pages, we would now like you to write a little bit about yourself and what you enjoy.

Here are some ideas to help you get started:

- What qualities do you have – are you kind, respectful, well organised?
- What are your ambitions – what would you like to do in the future?
- Are you part of any clubs or activities outside of school; sporting, creative, or musical? For example, swimming clubs, football clubs, Scouts, etc?
- What are your skills? Are you good at Maths, Art, Dance? Do you speak another language?
- What achievements have you gained? Are you a first aider? Do you volunteer or help people in your community?
- Who are your role models?
- What do you enjoy doing in your spare time? Do you support a sports team? Do you enjoy playing computer games?
