FW: Dance Show 2022

----- Original Message: -----

Dear Parent/Carer,

We are incredibly excited to be working towards our annual dance show with our dance company members in Streetkingz, Fusion, Insync and Clan, as well as our curriculum options classes. Students have been working incredibly hard on their performances during their weekly sessions and have been a pleasure to work with.

The dates and times of the show are:

Thursday 7th April 6.30pm

Friday 8th April 6.30pm

The running time of the show will be approximately 2 hours including a short interval so students should be collected at 8.30pm.

Rehearsals

In addition to their weekly/fortnightly sessions there will be additional rehearsals that all students will need to attend in order to ensure that the individual performances pull together into one show. There will also be more intensive rehearsals for additional pieces as we move towards the final weeks leading up to the show.

Friday 1st April - Dress and tech rehearsal - All students in the show must attend. Student finish time - 7pm.

Tuesday 5th April - Clean up intensive - This rehearsal is for any pieces that are picked up during the Dress and Tech run as needing more work. We will send a parent mail closer to the time to students who need to attend this session after the Dress and tech rehearsal. Student finish time - 6pm.

What will my child need?

Students will need the following in a clear plastic box with a lid labelled with their name for both the Dress and tech run and for the show evenings. The plastic box should be large enough to contain:

- Plenty of water and snacks
- All costumes
- Any hair products/makeup needed.
- Personal belongings.

Bags are not suitable due to the nature of the running of the show and whilst students need to bring plenty of water and snacks to rehearsals to ensure they are fuelled, no takeaway food is permitted to be ordered or brought onto site.

Costumes

All costumes will be given to students by the dance department, but students will also need to ensure that they have a black HD dance kit top which can be purchased from vortex for the finale of the show.

Students in certain pieces may be asked to bring their own plain items to accompany costume items, students have been asked to do this in their sessions if this applies to them.

Attendance

We must state at this point that attendance to club sessions is vital to ensure students can complete the show to the best of their abilities. If there is a specific concern about an additional rehearsal please get in touch, we will try to be as accommodating as possible, however if we feel that absence means a student will not be ready then we may withdraw them from parts of the routine/full pieces in extreme cases.

Raffle

Over the next two weeks we would like students to try and bring in an item for our raffle which will raise funds on the night for the dance department and further opportunities for the students. If you have any such items as chocolates, gift sets or anything else suitable please send this into student reception and we will collect these ready for the evenings.

Tickets are now available via Ticketsource using this link

Thank you again for your continued support throughout the year so far, we are so excited to showcase the hard work that has been going on in the department and hope to see you on show nights!
