FW: Global Recycling Day

----- Original Message: -----

Dear Parent/Carer,

Today marks Global Recycling Day 2022 and as a school we are committed to educating our students around the importance of recycling, reusing and repurposing in the light of climate change.

This week students have had an assembly on the importance of the recycling systems we have in place in school which include waste separation systems in the Heart Space, paper and card recycling boxes in every room within the school and a Terracycle collection of writing instruments.

To celebrate Global Recycling Day we have launched a Global Recycling Champion competition to all students, so if your child is passionate about recycling, reusing and repurposing at home, please ask them to complete the form that has been emailed out, to be in with a chance of winning a £20 voucher. We are also in the process of launching a new student action group to sit alongside and assist our Natural Leaders in our drive to ensure Horizon has a more sustainable future. This will be an opportunity open to all students, so please ask your child to look out for the sign-up details in student bulletin.

If you would like any further details regarding Global Recycling Day please click here [Home - Global Recycling Day](#)
