Sample Student (Year 1, Samples)

Curriculum Updates

Dear Parents/Carers,

<https://horizoncc.co.uk/quality-of-education/#curriculumupdate>

In order to keep you informed about what students are learning this half term, please see the link above to access Curriculum Updates for each year group.

I hope you will find this interesting, and please do ask students questions about their learning.

Also included in the curriculum update is information about any summative assessment your child may be sitting in their subject this half term; most subjects will conduct 2-3 summative assessments throughout the year. The information we collect from these assessments feeds into the data we report back to you as parents and carers.

With this in mind, we recommend you help students to prepare for these assessments by using their books and knowledge organisers to help them revise.

Subjects are listed alphabetically. If you would like any further information please don't hesitate to get in touch via: **Info@horizoncc.co.uk**.

Kind regards,

Mr. T. Knowles
