

Dear Parent / Carer

I hope you are well.

First of all, can I just thank you for your support during the recent mock exam period; students conducted themselves exceptionally well.

Summer Examination Timetable

The summer examination season begins on Monday 15th May 2023 and runs through to Wednesday 21st June 2023. I have attached a copy of the summer examination timetable for your reference. Students will receive their individualised examination timetable after the Easter holidays. Students should use this to plan / prioritise their revision in preparing for their forthcoming GCSE examinations. Please note, there are a number of 'contingency days' built into the schedule in case any of the exams need to be rearranged nationally. These are the 8th, 15th & 28th June 2023.

Easter College

Over the Easter holidays we are running a number of revision sessions for Year 11 students (please see schedule below). These sessions will be an excellent opportunity for students to kick start their revision for the forthcoming summer examination season. Students will receive personalised invitations to attend specific subject sessions before we break up. Please encourage your child to attend these sessions.

Easter College		
Week 1	AM	PM
	9:30 - 12	12:30 - 15:00
