

Dear Parents/Carers

College Closure - Friday 10<sup>th</sup> March - Snow

After careful consideration and due to the continued adverse weather throughout the night, I have taken the decision to close Horizon Community College today, Friday 10<sup>th</sup> March 2023 to all students and staff. This is to ensure the safety of students and staff. We are also aware that bus services are affected too.

Your child can access learning online logging on to Bedrock/Seneca and Sparx. The Year 11 mocks that were due to take place today will be rescheduled to next Wednesday, 15<sup>th</sup> March, more details to follow on this. Year 11 should use today to continue their revision.

Please stay safe.

Mrs Huddart  
**Principal**
