

PHOTOGRAPHY CURRICULUM

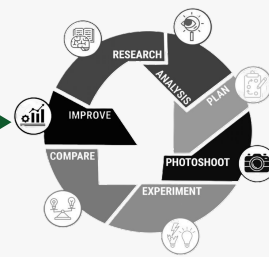

Art (Photography) is a vital part of children's education; It provides them with a visual language through which they can share and express their individual creativity and explore the many ways in which digital artists and photographers from different times and cultures respond to the world around them.

Our Curriculum will equip students with the practical skills in taking photographs, selecting subject matter and with Photoshop to develop their meaningful responses. Our Key stage 4 Photography Curriculum will also provoke curiosity, expect ambition, develop studentship and provide challenge and support for all our learners.

Summer Term

Coursework Completion
GCSE Sit Down Exams

GCSE EXAM

Previous AQA Exam Questions:

Transformation

Flora & Fauna

Landmarks

Erased

Narrative

Angles

Humans
